

SMARTFLEX SMT PREMIUM

5-layer garden hose with innovative SMT fabric

- Applications** irrigation
- Structure** soft PVC, grey, opaque, SMT knitting
- Temperature** -20°C up to 65°C
- Properties** excellent flexibility, good tensile strength, crush-resistant, can be driven over, high pressure resistance, good ozone- & UV-resistance, hydrolysis & microbe resistant, weather proof, rot proof, phthalate-free

Inner Diameter (mm)	Outer Diameter (mm)	Wall Thickness (mm)	Bending Radius (mm)	Max. Operating Pressure (bar)	Burst Pressure (bar)	Weight (kg/m)	Total Weight per Piece (kg)	Length (m)	Article Number
