

Manufacturer's Certificate for plastic materials intended to come into contact with food

Issued by: Ocono Ruhrkunststoff GmbH, Weseler Str. 35, 45478 Mülheim an der Ruhr

It is hereby declared, that the hose in our product series:

- SMARTFLEX 0,4
- SMARTFLEX 0,6
- SMARTFLEX 0,7
- SMARTFLEX 1,0
- SMARTFLEX 1,4
- SMARTFLEX 2,0

fulfil the requirements of building material class B1 in accordance with DIN 4102.

material class B1 (flame-retardant building materials)

according to DIN 4102. This assessment is only valid, if the distance to equal or other plane building products is > 40 mm. The surface of the extraction hoses may not be covered with paints, coatings or similar products. The resistance of the fire behaviour against climatic influences in the outside was not proofed. Therefore, the product may be used as schwerentflammbar on-ly inside of buildings or in otherwise weather protected areas.

The material does not produce burning droplets / particles.

This test certificate is not the requested approval, if the tested material is used as building product according to the German building regulations.

best regards

Ocono Ruhrkunststoff GmbH
