

Ruhrkunststoff

Manufacturer's Certificate

For plastic materials that come into contact with foodstuffs

Issuer: Ocono Ruhrkunststoff GmbH, Weseler Str. 35, 45478 Mülheim an der Ruhr

We hereby declare that our products:

FLEXADUX P7LPU-FOOD-AS

has been manufactured from raw materials suitable for contact with foodstuffs. Other products of SCHAUBURG Ruhrkunststoff GmbH, which are manufactured from the same raw materials, meet the requirements of EC 10/2011 Simulant E (dry food). However, a corresponding product test is not available for the above-mentioned product series.

FDA Compliance (U.S. Food and Drug Administration):

In accordance with 21 CFR § 177.1688 and 21 CFR § 178.2010 (Polyurethane) as well as 21 CFR § 177.2600 (Rubber articles intended for repeated use). (PAS FOOD Series: permitted foodstuffs: Type VIII (§ 176.170(c), Table 1))

This confirmation applies to the product supplied by us and its use in unmodified form. In the event of deviations from intended uses, the user is responsible for checking conformity and suitability

Sincerely,

Ocono Ruhrkunststoff GmbH

Quality Assurance
